

## Narrative Fiction: Picturebooks

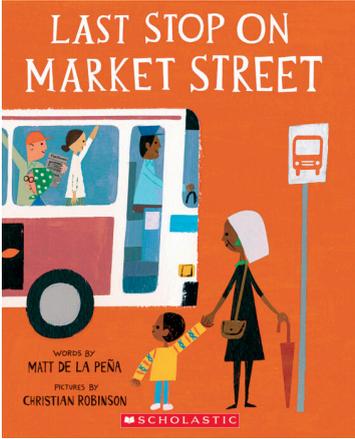

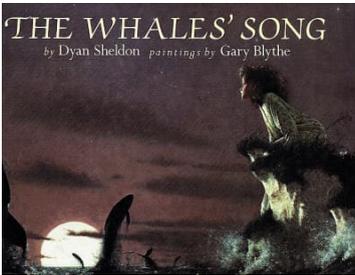

Narrative fiction is imaginative writing that tells a made-up story using characters, setting, plot, dialogue, and descriptive language to entertain, explore ideas, and develop readers' understanding of stories.

Picturebooks combine images and text to tell stories, with illustrations playing a central role in shaping narrative, meaning and interpretation. The following selection of high-quality narrative fiction picturebooks facilitate engaging reading opportunities for primary school pupils, supporting comprehension, imagination and enjoyment of storytelling through the mediums of Irish and English.
