

Informational Text & Non-Fiction

Information and non-fiction texts present factual content about the world, often using features such as headings, diagrams, photographs and captions to organise and communicate information clearly. The following selection of high-quality information and non-fiction texts provides engaging reading opportunities for primary school pupils, supporting knowledge development, curiosity and research skills.

The stage groupings provided are indicative only. Teachers and parents are best placed to determine the appropriateness of individual texts for their own context. Many texts will be suitable for use across a range of ages and stages.
